<sup>1</sup> HSA deductible: All enrolled family members contribute toward a collective family deductible. The plan will not pay an individual's claims, less any coinsurance, until the total collective family deductible has been met.

<sup>2</sup> OAP deductible: After each enrolled individual meets their individual deductible, the plan will pay his or her claims, less any coinsurance amount.

<sup>3</sup> HSA out-of-pocket maximum: All enrolled family members contribute toward a collective family out-of-pocket maximum. The plan will not pay 100% for covered services until the total collective family out-of-pocket maximum has been met.

<sup>4</sup> OAP out-of-pocket maximum: Before the plan will pay 100% for covered services, each covered individual must meet his or her individual out-of-pocket maximum.
