

NORTON DATA SUBJECT RIGHTS REQUESTS REPORTING FOR 2023

In 2023, Norton received the following requests:

Type of request	Number of requests	Requests completed in whole or in part	Average time to substantively respond
Requests to know	468	468	5.37 days
Requests to delete	53,276	53,270	1.64 days

As noted in our Global Privacy Statement, Norton does not sell our users' personal information. Visitors to our web sites can opt-out from having cookie data shared for purposes of cross-contextual advertising by using the cookie banner presented at first visit or by using the "privacy settings" link in the footer of the site.

Data subject rights requests may be denied when we cannot authenticate the individual or to comply with legal obligations.
