

DATA SUBJECT RIGHTS REQUESTS REPORTING FOR 2021

In 2021, NortonLifeLock received the following requests from users identifying themselves as California residents:

Type of request	Number of requests	Requests completed in whole or in part	Average time to substantively respond
Requests to know	21	16	11 days
Requests to delete	54	19	8 days

As noted in our Global Privacy Statement, NortonLifeLock does not sell our users' personal information.

Data subject rights requests may be denied when we cannot authenticate the individual or to comply with legal obligations.
