Comprehensive Executive Privacy Protection Services

ReputationDefender® is part
of NortonLifeLock, Inc. as of
September 2021 with **2,500+**
Executive Privacy clients

By reducing the amount of personal information about you and your family online, you're helping to prevent hackers, scammers, and other bad actors from using that data to cause harm.

Our concierge service begins with a personalized one-on-one welcome and onboarding experience for simple account setup and to collect information to conduct thorough searches. A dedicated and specialized ReputationDefender® privacy expert monitors your account, conducts privacy audits, handles record removal, and tracks for new privacy vulnerabilities.

Access to a Dedicated Privacy Expert:

One-on-one onboarding with a privacy expert for simple account setup and to collect information to conduct thorough searches. Ongoing support as-needed.

Comprehensive Scanning & Data Removal:

We perform a comprehensive scan of 100+ people search sites and other common data sources. We then use API and manual processes to get the information removed.

Ongoing Privacy Audits & Oversight:

We continue to scan the dark web and people-search sites to make sure information stays removed. We also submit removal requests, audit social media profiles, monitor other public sites and provide recommendations.

Monthly Reporting:

Members receive monthly detailed reports covering the current status of each protected individual with recommendations. Separate privacy threat reports can also be prepared for IT or security teams.

We can remove exposed
information from
100+ people-search sites

300+ instances of PII on
the internet are typically returned
from an initial privacy audit

**98% personal
information removal rate**

On-demand access to the ultimate IT department

Norton™ Ultimate Help Desk provides remote, on-demand Norton tech support that helps save time and frustration. It's also an easy way to add IT expertise and typically costs much less than an on-site service call or repair-shop work, covering unlimited⁶ devices for individual and family.

Remote IT Support: We provide comprehensive support, from network setup to device diagnostics and troubleshooting, anytime executives need help, 24x7, 365 days a year.²

Device Setup and Maintenance: We'll get their devices working on the wireless network, connect computers to the printer, troubleshoot software problems, set up Microsoft Outlook® email and remedy operating system issues and computer crashes.¹

Computer Tune Up: Our comprehensive inspection and repair services are designed to free up memory and optimize settings to help keep computers running like new. Norton techs can also help find and eliminate computer viruses.

Identity theft protection and a whole lot more

Executives also receive comprehensive all-in-one identity theft protection, device security and online privacy protection.

Identity Theft Protection

Our technology monitors[†] for fraudulent use of employees' Social Security number, name, address and date of birth in applications for credit and services. The patented system sends alerts by text, phone^{††}, email or mobile app when a potential threat is detected.

Device Security

Multi-layered, advanced security helps protect devices against existing and emerging malware threats, including ransomware, and helps protect private and financial information when employees go online.^{**}

Parental Control

Employees can take action to monitor their child's online activity and identify potential dangers to help keep children safe when exploring online. Easily set screen time limits, block unsuitable sites, and monitor search terms and activity history.^{***}

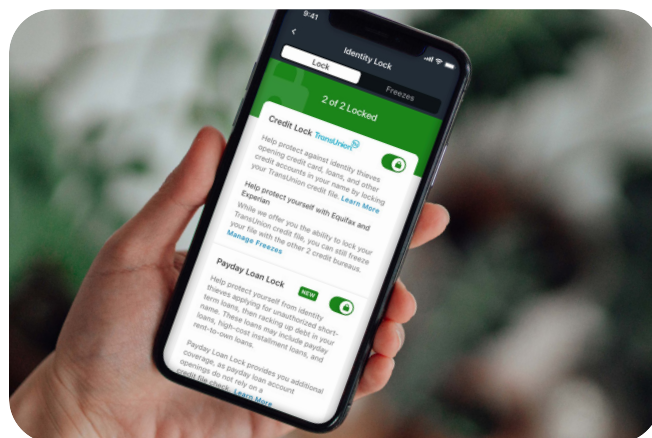

Online Privacy

Browse anonymously and securely with a no-log VPN. Bank-grade encryption helps keep your information like passwords and bank details secure and private.

7,000+

Employers currently enrolled

As of January 1, 2022

No one can prevent all identity theft or all cybercrime.

[†] We do not monitor all transactions at all businesses.

^{**} These features are not enabled upon enrollment. Member must take action to activate this protection.

^{***} Norton Family and Norton Parental Control can only be installed and used on a child's Windows PC, iOS and Android devices but not all features are available on all platforms. Parents can monitor and manage their child's activities from any device – Windows PC, Mac, iOS and Android – via our mobile apps, or by signing into their account at my.Norton.com and selecting Parental Control via any browser.

^{††} Requires your device to have an Internet/data plan and be turned on.

Protection features to help executives feel safer in their digital lives

LifeLock Identity Alert™ System

Patented system sends alerts[†] when fraudulent use of an employee's Social Security number, name, address, or date of birth for credit and service applications are detected.

Credit Monitoring

Monitor and alerts when key changes to an employee's credit file is detected at one or three of the leading credit bureaus, depending on the plan.¹

Investment & 401(k) Activity Alerts

Alerts to potentially fraudulent cash withdrawals and balance transfers.[‡]

Social Media Monitoring

We monitor linked accounts on the most popular social media sites and send notifications when risky links are detected or when an account may be compromised.*

Password Manager

Easily create, store, and manage passwords, credit card information and other credentials online – safely and securely.**

On-Demand Credit Reports & Scores

Convenient online access of credit reports and credit scores from the primary bureaus.^{1§ **}

Dark Web Monitoring

Identity thieves can buy or sell personal information on hard-to-find dark web sites and forums. We can monitor personal information and notify the employee when their information is found.**

Secure VPN

Secure private information like passwords, bank details and credit card numbers when using public WiFi on your PC, Mac, or mobile device. Bank-grade encryption protects personal information sent over public WiFi or unsecured networks.**

Identity Lock

Criminals can steal your identity to open credit cards, bank accounts, payday loans, or utilities in your name. With a single click, Identity Lock^{1,3,†} lets you turn on the TransUnion Credit File Lock and Payday Loan Lock, to help block unauthorized account openings. Unlock when you want to open a new account.

Secure Cloud Backup

Store and protect important files and documents as a preventative measure to data loss due to hard drive failures, stolen devices and even ransomware.^{2**}

No one can prevent all identity theft or all cybercrime.

[†] We do not monitor all transactions at all businesses.

* Does not include monitoring of chats or direct messages.

** These features are not enabled upon enrollment. Member must take action to activate this protection.

[§] The credit scores provided are VantageScore 3.0 credit scores based on data from Equifax, Experian and TransUnion respectively. Third parties use many different types of credit scores and are likely to use a different type of credit score to assess your creditworthiness.

[∇] Norton Family and Norton Parental Control can only be installed and used on a child's Windows PC, iOS and Android devices but not all features are available on all platforms. Parents can monitor and manage their child's activities from any device – Windows PC, Mac, iOS and Android – via our mobile apps, or by signing into their account at my.Norton.com and selecting Parental Control via any browser.

¹ If your plan includes credit reports, scores, and/or credit monitoring features ("Credit Features"), two requirements must be met to receive said features: (i) your identity must be successfully verified with Equifax; and (ii) Equifax must be able to locate your credit file and it must contain sufficient credit history information. IF EITHER OF THE FOREGOING REQUIREMENTS ARE NOT MET YOU WILL NOT RECEIVE CREDIT FEATURES FROM ANY BUREAU. If your plan also includes Credit Features from Experian and/or TransUnion, the above verification process must also be successfully completed with Experian and/or TransUnion, as applicable. If verification is successfully completed with Equifax, but not with Experian and/or TransUnion, as applicable, you will not receive Credit Features from such bureau(s) until the verification process is successfully completed and until then you will only receive Credit Features from Equifax. Any credit monitoring from Experian and TransUnion will take several days to begin after your successful plan enrollment.

² Norton Cloud Backup, Norton SafeCam, Norton Family, and Norton Parental Control features are not supported on Mac, Windows 10 in S mode, and Windows running on ARM processor). Not all products, services and features are available on all devices or operating systems. System requirement information on Norton.com.

³ Identity Lock cannot prevent all account takeovers, unauthorized account openings, or stop all credit file inquiries. The credit lock on your TransUnion credit file and the Payday Loan Lock will be unlocked if your subscription is downgraded or canceled.

White-Glove Restoration Service

We have a team of 60 U.S.-based Identity Restoration Specialists dedicated to helping fix our members' cases from start to finish. All members can utilize this service if the need arises; no plan upgrades needed. From unemployment fraud to

unauthorized account openings and bank account takeovers, our agents will work to resolve these issues on our members' behalf. We have more than 7,000 merchant partnerships to help efficiently resolve claims and fraudulent activities.

MILLION DOLLAR PROTECTION PACKAGE^{†††}

We are proud to offer a robust protection package, with coverage of up to \$3 MILLION for the rare devastating identity theft event, for each enrolled member (including spouses and eligible dependents^Δ) regardless of the Benefit Plan selected. This covers:

- Up to \$1 million in reimbursement for stolen funds, and
- Up to \$1 million in compensation for personal expenses incurred, and
- Up to \$1 million in lawyers and experts, if needed

- No limits on the number of claims a member can file in a year^Δ
- No limits on the number of occurrences that can be reimbursed^Δ
- No sub-limits to worry about^Δ

Plus, financial accounts not linked for monitoring may still be covered for reimbursement. We also have a network of lawyers and experts that we retain on our members' behalf; we'll take care of all the billing so there are no out-of-pocket costs to our members.

* January - October 2021

^Δ The LifeLock Benefit Junior plan is for minors under the age of 18. LifeLock enrollment is limited to employees and their eligible dependents. Eligible dependents must live within the employee's household, or be financially dependent on employee. LifeLock services will only be provided after receipt and applicable verification of certain information about you and each family member. Please refer to employer group for the required information under your plan. In the event you do not complete the enrollment process for any family member, those individuals will not receive LifeLock services, but you will continue to be charged the full amount of the monthly membership selected until you cancel or modify your plan at your employer's next open enrollment period, which may be annually. Please note that we will NOT refund or credit you for any period of time during which we are unable to provide LifeLock services to any family member on your plan after your benefit effective date due to your failure to submit the information necessary to complete enrollment. If you do not complete the enrollment process for each family member, you may continue to pay more for LifeLock services than you otherwise would if you had selected a lower tier plan.

^{†††} Reimbursement and Expense Compensation, each with limits of up to \$1 million for LifeLock with Norton Benefit Essential and LifeLock with Norton Benefit Premier. And up to \$1 million for coverage for lawyers and experts if needed, for all plans. Benefits under the Master Policy are issued and covered by United Specialty Insurance Company (State National Insurance Company, Inc. for NY State members). Policy terms, conditions and exclusions at [NortonLifeLock.com/legal](https://nortonlifelock.com/legal).

^Δ There are no additional limits on eligible claims within each \$1 million category of protection outlined above. All claims are subject to the requirements outlined in the Master Policy. See [NortonLifeLock.com/legal](https://nortonlifelock.com/legal) for policy details.
